At night when I fall asleep
you are all I dream of..

The one who's always had
my heart,

my angel from above...

I want to hold you in my
arms,

comfort you when you
weep...

Be there to tuck you in at
night,

then gently kiss you on the
cheek...

I want to whisper softly in
your ear,

"to have you, I'm truly
blessed"...

Then I wake up crying tears
because I'm without you...

My days without you hurt so
bad,

And every day 'till we meet
again,

I'll wish I had you
here with me...
