Remembering
Adam Buggy

While travelling New
Zealand, in the absolute
middle of nowhere in
Whakoro, I mentioned
Adam Buggy in
conversation with a group
of girls I had just met, Irish
primary school teachers
on a year off; not only did
they know Adam, they'd
met him in California in a
hostel, and stayed with him
for a weekend. They told
me how friendly he was,
how genuine... and then
how they'd all got drunk
and had a paint fight, true
